

FOOD SAFETY POLICY

At Wanda Vista Hotel, we strive to ensure the reliable production and presentation of food by complying with national and international laws, regulatory requirements, and standards in our kitchens and food and beverage areas, thereby maintaining guest satisfaction.

We enhance our employees' competencies in food safety, hygiene, and sanitation by providing them with training, ensuring that meals are produced and served in healthy and hygienic environments.

Through ongoing development and improvement in food safety management and consumer satisfaction efforts, we ensure the production and presentation of high-quality and reliable meals.
